LONDON COLLEGE OF CREATIVE MEDIA  
Tuition Fee Schedule 2021/22

---

The tuition fees which will be charged by LCCM for the 2021/22 academic year are shown on the following page. These should be read in conjunction with the notes below and the Regulations & Policies which can be found on our website.

Note 1: These fee rates are valid for the 2021/22 academic year only and might be subject to increase in future academic years, including during continued registration. The fees stated for subsequent years of study do not serve as a guide as to what the fee level for that year of study might be in future academic years as course fee structures change from time to time. Where fee adjustments are made year-on-year on-course to take account of inflation, this adjustment will be at or below the RPI-X forecast rate as advised by the Office for Budget Responsibility (OBR) and the Office for Students (OfS).

Note 2: Fees regulated by the government are subject to changes in legislation and may change from time to time. This schedule will be updated as relevant should changes in government policy lead to amended fee rates.

Note 3: New or progressing students may be eligible for a scholarship (in the form of a tuition fee discount) to reduce the fee of the first year of their new or next course. Students should refer to scholarship arrangements for the academic year which they are joining for details.

Note 4: Direct-entry students joining a course other than in Year 0 or Year 1 pay the rate for new students, not the published continuing student rate.

Note 5: All amounts quoted are in pounds sterling (£).
